**Education:**

Graduate in Commerce

**Occupation:** Business with a sense of social responsibility

**About our Family:**

We originate from Bellary region and moved to Gadag town in the former Dharwad district. My fore-fathers built this town and thus laid down the track of social work in our family. They have been in the fore front of social and political activities right from the British period. My grandfather played a key role in retaining Bellary district in Karnataka which is a source of inspiration to me to serve the cause of the state at large. My father Mr. **Mahantappa Rachappa Tenginkai** was a Commissioner of Income Tax Department (belonging to the IRS Cadre) and has helped many organizations in serving the cause of social development.
